PRESS RELEASE FROM LIESELOTT WIENDIECK, FAR-A-FIELD ACRES, QUINQUE, VA.

“With all my heart, I want to congratulate Guy and Betty McElvain on the purchase of my Holsteiner Breeding Stock, including 13 mares from stamms 730B and 3858, and the stallion Love Affair/Larno/Cor de la Bryere/ Moltke I.

“Ever since I visited New Mexico, I fell in love not only with Rancho La Querencia, but also with the McElvains. So when I was ready to retire, after 50 years of breeding, I wanted my horse family to remain together and to live in New Mexico.

“Guy and I were able to come to an agreement, and on December 16, 2009, my horses were shipped to Rancho Corazon in Lemitar. “I visited Rancho Corazon in March 2010, and was happy to see my horses settled in beautifully. I wish Rancho Corazon and the McElvains the best of luck and continued success in the breeding of our wonderful Holsteiner horses.”

COMMENT FROM RANCHO CORAZON:

We are so pleased and proud that we are offered the opportunity to carry on the tradition of the top quality Holsteiner breeding program of Lieselott Wiendieck and Far-A-Field Acres. The bloodlines represented by this Breeding Stock will make a significant contribution and an excellent combination to the Breeding Stock of Rancho Corazon and Rancho La Querencia.

The McElvain Family wishes to thank Lieselott for her contribution to our program and for her confidence in our operation and her trust in our family to care for her beloved horses.
